Important Things to Consider Before Creating Your Cake

- How many guest will you be serving?
- Will you incorporate your wedding colors?
- Will you need extra cake if cake is served as main dessert?
- What cake flavors and fillings you would like or a combination of flavors.
- What look would you like to achieve? Butter cream, fresh, or gum paste flowers and your wedding toppers
- The shape of your cake; round, square, rectangle, heart shape or a combination of shapes, separated or stacked?
- Styles you may like; Victorian, country, art deco, classical, ethnic, trendy or your own personal style!
- Other specialty items like a grooms cake, mini pastries, dipped strawberries, or specialty sauces to accompany the cake.

What To Bring To Your Wedding Cake Meeting With Chef:

- An estimate of how may guests that you would like to serve.
- Any color swatches if you would like to match color onto your cake.
- Sketches, ideas or pictures that you may have showing the style of cake you would like.
